

NEW AFGHANISTAN WOMEN ASSOCIATION

PROFILE

NEW AFGHANISTAN WOMEN ASSOCIATION

OUR VISION

Our vision is a peaceful Afghanistan, without violence and discrimination against women and children where there is way for participation and prosperity.

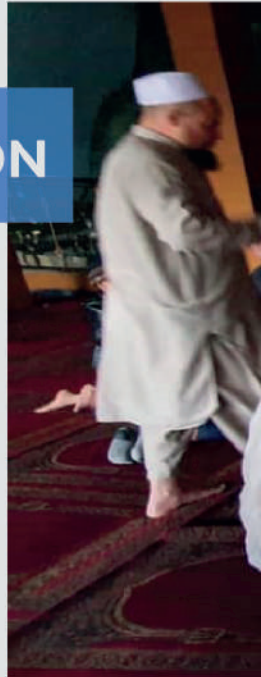

OUR MISSION

Advocacy for changing public mind to accept human rights, and gender equality by media programs, local shuras, raising awareness and building capacity of people specially women, In the upcoming years, the organization has in account to design and prepare projects for, supporting and enhancing democracy of Afghanistan, supporting women and Youths leadership advocacy for elimination of violence against women, and children with the support of community.

NEW AFGHANISTAN WOMEN ASSOCIATION

The perception for the formation of the non-governmental organizations in Afghanistan indeed, was a most welcome move, especially under conditions that Afghanistan was engulfed with the most civil war and the country was experiencing a difficult area due to internal instability.

New Afghanistan Women Association (NAWA) is an independent, Non-Governmental, non-profit, non-political and non-sectarian organization (Afghan National NGO), created at the initiative of a group of Afghan Professionals in (1999) Organization (NGO) registered with Ministry of Economy of Afghanistan Under Registered Number of (458) and Ministry of Women Affairs (MoWA) Under Registered Number of (147) UN Agencies and is an active member of Afghan Women Network (AWN).

Our Goals

1. Through launching income generating projects, NAWA wants to support poor communities through vocational training programs to become self-sufficient;
2. Assist communities and efforts leading to self-help and ultimately self-reliance;
3. To improve the economic status of deserved people through the initiation of suitable skills and Leadership training programs;
4. To participate in the rehabilitation and development of education;
5. To help people have access health and education facilities;
6. To increase the level of knowledge and literacy among the illiterate women and to raise awareness on their rights so they can defend their rights;
7. To work for the eradication of corporal and physical punishment against women and children in the families and in the society;

Our Mandate

As a voluntary sector, non-profit NGO, NAWA's Mandate provides the essential guidelines for the Organization's community development interventions in accordance with its mission.

- To carry out programmatic interventions to lead to community mobilization, empowerment, participation and local resource mobilization at the grassroots level;
- To carry out interventions that promote sustainable development practices, gender awareness, poverty alleviation and human rights aspects;
- To assist communities in efforts leading to self-help and ultimately self-reliance;
- In participation with various stakeholders, to support efforts aimed at promoting health and education development and income generating activities for the uplifting of the socio-economic status of communities;
- To provide support for infrastructure development projects/programs based on the communities needs assessed;

Why NAWA

The NAWA strives to save lives, to promote human dignity and to expose and confront oppression. Promote women's, Youths and Children rights in Afghanistan and advocates for a positive social change women's and Youths have access to justice and they are actively present in social, economic and political spheres of Afghan society.

NAWA approaches its organizational goals by advocating at the national level for policy change, legislation and implementation of state laws and policies. NAWA undertakes advocacy together with other women rights 'youths and Child Right focused NGOs and individual activists in order to ensure positive progress at the national level for development and enactment of laws and policies at all levels. Besides, the organization works towards government institutions' capacity building focusing on gender sensitization, strengthening understanding of government official's vis a vis women and Youths rights and helping them mainstream women's Youths rights in their official business. In addition, NAWA works with the local communities and mobilizes them to support women equality and contribute towards promotion and protection of women's, and Children rights. Particularly, the organization works with religious leaders and influential personalities of the communities and partners with them in order to use them as local champions for social change in favor of women and Children rights. Also, NAWA focuses on developing the capacity of men in order to build their understanding of women and Children rights and turn them into women and Children rights champions advocating for women and Children rights. The main target group of NAWA is women youths and Children who are targeted for empowerment in order to help them recognize their human rights and help them access those rights.

These funds/contributions go to the following sectors:

- Comprehensive aid development,
- Empowering the Afghan men and women through vocational training programs
- Working for peace and human rights,
- Strengthening education amongst the people,
- Improving the status of health system within the country,
- Building the capacity of women through various developmental programs,
- Supporting Women's, Youths, children's rights and providing them with opportunity to improve efficient emergency assistance;

On the account of organizations strives will empower the women to meet their basic needs by providing vocational skills, literacy, and capacity building which directly impacts on their lives and help in poverty alleviation, by achieving the organizational goals; supporting the people with technical and professional staff and capacity of the organization.
